

A New Way To Play

Tempo Walk is an autonomous caddie that gives golfers a new way to experience the game on your course. It won't replace your existing caddie and car programs—it supplements them as an "anytime caddie."

Once golfers try Tempo Walk, you'll see a renewed excitement along the fairway. Now your guests can focus on smooth shots, see improved rounds, and relax while outdoors.

Club Car®

NEW REVENUE STREAM

Tempo Walk is a rewarding way to build new relationships with golfers, generate excitement, and maintain pace of play.

IMAGINE YOU COULD HELP GOLFERS:

- Get more exercise
- Better experience and appreciate the natural beauty of your course
- Improve their overall golf game
- Become enthusiastic course advocates
- Increase their spending at the course
